

## **CLAN Position Statement regarding Gay & Lesbian CLAN members**

CLAN is an organisation which supports and advocates for all people who lived all or part of their lives in institutional or foster care and as such CLAN will never pass judgment on any person regardless of their sexual persuasion.

CLAN fundamentally rejects the statements made about consenting homosexuals by various churches and quasi-religious bodies who set themselves up as moral authorities whilst disregarding the fact that they sexually abused children, sold them to pedophile groups and then denied their crimes.

We respect the privacy of every CLAN member and endorse the notion that people have a right to live as they chose.
